- c). ancient
- d). ordinary

Explanation: 'Awesome' refers to something that is amazing or great.

2. To the beginning of which of the following words can you add 'up' to make another word?

- a). tact
- b). zip
- c). act
- d). stairs

Explanation: The word 'upstairs' is used for upper floors (usually of a building).

3. You need to stop blaming _____ for other people's mistakes.

Which of the following words BEST fits into the blank?

- b). yourself
- c). himself
- d). herself

Explanation: A pronoun that ends with 'self', like *himself*, *herself*, *yourself* and so on, is used according to the subject of the sentence. Here, the subject is *you*, so we say '*You shouldn't blame yourself*'. If the subject was 'he', we would say '*He shouldn't blame himself*'.
